

MTR CEP 2700

- 0 bar to 2700 bar Hydraulic.
- Portable
- Medium: Oil or Water
- Spindle pump for Pressure Generation and Fine Adjustment
- Low pressure range: 0-300 bar;
High pressure range: 0-2700 bar
- Smooth Pressure Generation
- 2 Pressure Connections
- 2 Control Valves (StSt/Ceramic)
- Large Reservoir

EXPERIENCE

Benchtop Hydraulic Pressure Calibration Pump

| | | |
|----------------------------|---------------------|---------------------|
| Pressure range | | 0 - 2700 bar |
| Medium | | Oil / Water |
| Material | Pressure connection | StSt |
| | Pump: | StSt |
| | Seals | Ceramic, NBR |
| Pressure connection | | 9/16-18 UNF |
| Screw pump A | Pressure range | 0 - 300 bar |
| | Volume: | 39.25 ml |
| | Stroke | 1 ml |
| Screw pump B | Pressure range | 0 - 2700 bar |
| | Volume: | 6.3 ml |
| | Stroke | 0.16 ml |
| Weight | | 11 kg |
| Dimension | | 450 x 350 x 250 mm |
| Optional extras | | see catalogue |

Optional Extras:

- Finger-tight quick connectors G1/2 (<2000 bar)
- Additional pressure output
